

STUDENT AMBASSADOR PROGRAM

About

The Student Ambassador Program is a leadership opportunity for students dedicated to serving their community and representing Relay Heroes Today Leaders Tomorrow. Ambassadors gain the necessary skills to lead in community service, college readiness, financial literacy, and scholarship.

What does a Student Ambassador do?

- ✂ Welcome and greet the public at Relay events
- ✂ Provide information about Relay to guests
- ✂ Develop an expanded knowledge about Relay's mission and purpose
- ✂ Conduct community engagement for Relay events
- ✂ Work with diverse populations and provide tips on being a successful student
- ✂ Attend required training and meetings
- ✂ Assist with creative elements for Relay, including but not limited to management of social media, newsletters, and other communication tools
- ✂ Other duties as assigned

What are the benefits of becoming a Student Ambassador?

Student Ambassadors develop a wide range of transferable skills that benefit the student. Employers, colleges, and universities are looking for more than just good grades; they want community involvement and service! Student Ambassador gains leadership skills that will help build their resume, university, and scholarship applications. A virtual account is created within the 12 months of service, which provides scholarship dollars that can be earned and cashed out during the senior year. They earn letters of recommendations, get connected to and serve their community, and help other students and families learn more about Relay Heroes Today Leaders Tomorrow.

Student Ambassador Selection Process

All students will be required to submit applications for consideration. They will be asked to submit both a written and video portion as part of their application, along with a letter of recommendation from a parent or guardian. The selection committee will review students based on 5-8th grade and 9-11th grade. Students who are selected will receive the benefits listed. If there are multiple applications, we reserve the right to waitlist runner-ups if the chosen students cannot accept the opportunity to become a Relay Student Ambassador. If for some reason, the student is unable to complete the full year of service as required, Relay reserves the right to request prize packages returned.

We encourage applications from students involved in their community, school, church, or other leadership roles.
